8. Any specific suggestion(s) for improvement in syllabus

1. There should be easy access of reading material.
2. Syllabus must be more practical and must be able to give them up-to-date knowledge.
3. Reading material should be given in advance to the students so that they can start preparing for exams well in advance.
4. Apart from assignments, other practical activities should also be carried out.
5. Inclusion of internship in the curriculum would help gain practical knowledge.
6. Inclusion of contemporary challenges, achievements and problems in the present syllabus is necessary.
