

### **MES College inaugurates Readers' Club's Activities**

Coinciding with the National Librarian's Day, the Readers' Club of MES College inaugurated its activities at the hands of Dr. Ruhi Saith, Senior Consultant (Public Health), Oxford Policy Management, recently in the M. S. Kamat Seminar Hall of the college. Having completed her doctoral studies in Oxford University after her primary MBBS degree, Dr. Saith currently works in Public Health with her job involving interaction with organisations like the WHO/the World Bank/the Gates Foundation etc. helping design as well as evaluate government programmes related to health

The programme began by Dr. Manasvi Kamat, the Principal welcoming the gathering. The resource person talked about the importance of book clubs and the magic of reading books. She narrated her experience of starting book clubs in Delhi and BITS Pilani Campus in Goa. She congratulated the members of the club and hoped that many engaging activities would be conducted in the future.

Dr. S. Susan Deborah introduced the activities of the Readers' Club and introduced the resource person. Ms. Fatima D'Costa proposed the vote of thanks.

50 participants including staff and students were present on the occasion.
