1.8 Any specific suggestion(s) for improvement in syllabus

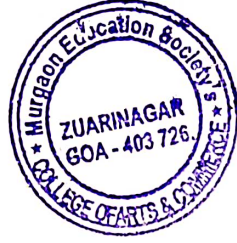

- Syllabus to be designed according to present career opportunities.
- Reduction of same syllabus
- The knowledge what teachers give to my child is very good. The campus, the way teachers teach is very much good.
- To remove the old system syllabus
- Priority for putting up additional projectors. Hygiene levels of washroom needs improvement
- No we already have the best teachers specifically Sanjiv Sir
- It would have been better if the mentor updates the parents regularly about the performance, behaviour and the punctuality of the child in college
- The easy chapters should be kept first in the syllabus in order not to cut the portion off
- Please install projectors in Room No. 8 classroom
- We want projector learning as pictures and videos shown during teaching stay longer in the memory of the child
- No projector in class, no maintenance of washroom hygiene, poor water facility

- Please do take revisions of the students, so that they come to the hardwork they have to put in studies.
- Please provide learning resources which are essential for a particular subject. And please answer the request of students for the same! Thank you!
