

MES College organizes talk on ‘Law as a Career Option in India’

The Department of Commerce organised a workshop on “Law as a Career option in India” for B. Com. Students from the M.E.S College recently. The resource person, Adv. Krishnakant Hegde Dessai enlightened the students about various Law Careers. He also motivated students to answer different competitive examinations like Union Public Service Commission (UPSC) & Goa Public Service Commission (GPSC). He spoke about how Law as a stream will be important for Corporates, he also stated that Importance of law as a profession is not only associated with litigation or fighting cases in courts. About 119 students benefitted from the talk.
