CIRCULAR

Principals of the affiliated Colleges are hereby informed that the Academic Council at its meeting held on 23rd, 24th and 27th July, 2020 discussed the issues relating to the First Year admission in the Colleges during the ensuing academic year 2020-2021 in view of the increase in the pass percentage at the Board Examination of June, 2020 where the following was decided:

1. College Principals are permitted to admit 10% additional students over and above the sanctioned intake for B.A./B.Sc./B.Com. and Self-Financing Undergraduate Programmes.
2. No additional students shall be permitted beyond 10% of the sanctioned intake. Consequently, no Wait Lists are to be maintained beyond the permitted intake.
3. Colleges applying for additional divisions shall not be permitted to admit additional 10% intake in any of the divisions of the Programme.
4. The intake for B.A. and B.Com. shall continue to be 60 per Division. The intake for B.Sc. shall be 80 for the Academic year 2020-2021.
5. Colleges will require to apply separately for opening an additional Division by requesting for NOC from the Directorate of Higher Education and applying for affiliation to the University with prescribed affiliation fees.

Further, the Academic Council approved the request for increase in Third Year B.A./B.Com./B.Sc. class strength from 60 to 80 to accommodate the students with backlogs. It also approved the increase in the batch size for the Third Year Project Paper from the existing 5 students to 10 students for the academic year 2020-2021 as a onetime measure. Individual Colleges may adjust the batch size for the Third Year Project Paper between 5 and 10 students so as not to exceed the workload.

It is informed that while the work relating to grant of additional seats is dealt by the Academic College Section, requests for additional Division/s are processed by the Academic General Section.

Principals of affiliated Colleges offering B.A./B.Sc./B.Com. and self-financing undergraduate Programmes are requested to kindly note the above decisions of the Academic Council for information and appropriate action during the ensuing academic year 2020-2021.
