Report in brief:

Introduction:

The Department of Economics in collaboration with Entrepreneurship Hub & the MoUs – FiiRE (Forum for Innovation Incubation Research and Entrepreneurship) & IIC (Institution's Innovation Council), organized a field visit to the Incubation Center as a part of NEP. This trip was organized as a part of experiential learning for the students of B.A./ B.Com. semester I who had opted for the course titled 'Introduction to Entrepreneurship'. This trip was organized on 4th October 2023. A total of 61 students participated in the visit. The objective was to familiarize students with the concept of entrepreneurship and the role of incubation centers in fostering economic growth.

Incubation Center Overview:

The Fatorda Incubation Center is a thriving hub for startups and aspiring entrepreneurs. It is equipped with state-of-the-art facilities, mentorship programs, and networking opportunities. The center primarily focuses on nurturing innovative ideas and transforming them into sustainable businesses.

Activities during the Visit:

Welcome Address: The visit began with a warm welcome from the center's Head, Kiraan Mehta, who provided an overview of the incubation center's mission and objectives.

Interactive Sessions: Students engaged in interactive sessions with current entrepreneurs and startups at the center. This allowed them to understand the challenges and opportunities faced by new businesses.

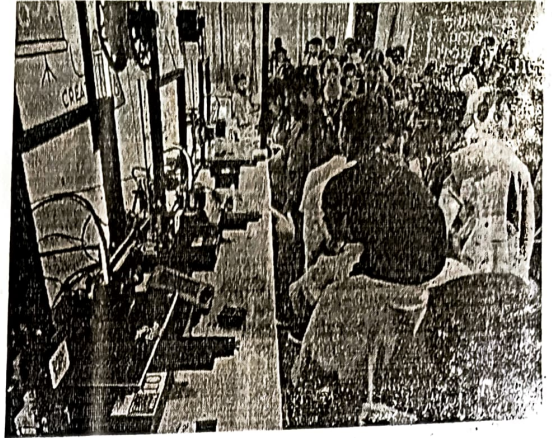

Guided Tour: A guided tour of the facilities was conducted, showcasing the co-working spaces, meeting rooms, and advanced technology infrastructure available to the entrepreneurs.

Key Takeaways:

1. Hands-On Learning: The visit provided students with a practical understanding of entrepreneurship and the ecosystem that supports it.
2. Real-World Insights: Interactions with incubation officials offered valuable insights into today's business world's economic challenges and solutions.
3. NEP Alignment: The visit was aligned with the NEP's vision of promoting experiential learning and fostering an entrepreneurial mindset among students.

1. Welcome Address

2. Interactive sessions

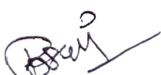

3. Guided Tour

Remarks of the Coordinator: The visit to the Fatorda Incubation Center on October 4th, 2023, was a valuable experience for F.Y.B.A./F.Y.B.Com. students. It exposed them to the dynamic world of entrepreneurship and demonstrated how incubation centers play a pivotal role in shaping the economic landscape. This initiative under the NEP aims to equip students with practical knowledge and skills that will serve them well in their future endeavors.
